I must extinguish self-doubt, so I can fully utilize the gifts God gave me to serve others and to honor Him!

Sometimes doubt is sparked by what others think of me, and sometimes it is fueled from my deepest fears. No matter where it comes from I must extinguish it once and for all!

I must never let self-doubt hold me back from becoming the person God created me to be.

I Am Uniquely and Wonderfully Made

Affirmations

“While I have no way to know your exact struggle, I do know that your gifts, strengths and talents are unique to the world. If your “pirates” keep you from expressing your whole being and reaching your full potential, do you realize what a tragic loss that would be to the world? We can’t let that happen!”
